

3515.4 Recovery for Property Loss or Damage

The Governing Board desires to create a safe and secure learning environment and to minimize acts of vandalism and damage to school property. To discourage such acts, the district shall seek reimbursement of damages, within the limitations specified in law, from any individual, or from the parent/guardian of any minor, who has committed theft or has willfully damaged district or employee property.

The district may collect debt owed by a student or former student as a result of vandalism or to cover the replacement cost of district books, supplies, or property loaned to a student that the student willfully fails to return or that is willfully cut, defaced, or otherwise injured. However, this policy shall not apply to a student who is a current or former homeless or foster child or youth. (Education Code 48904, 49014)

Rewards

The Board may offer and pay a reward for information leading to the determination of the identity of, and the apprehension of, any person who willfully damages or destroys any district property. (Government Code 53069.5)

The Board shall determine the appropriate amount for the reward.

The Superintendent or designee shall disburse the reward when the guilt of the person responsible for the act has been established by a criminal conviction or other appropriate judicial procedure. If more than one person provides information, the reward shall be divided among them as appropriate.
