

## **4540 Bargaining Units**

The Governing Board recognizes the right of district employees to form bargaining units, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

The District shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Employees shall not be prohibited from wearing union buttons or other items that favor or oppose the formation of a bargaining unit or any matter that is the subject of negotiations.

### **Formation of Bargaining Units**

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The district may recognize a bargaining unit of supervisory employees if: (Government Code 3545)

1. The bargaining unit includes all supervisory employees.
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

For this purpose, supervisory employee means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. In the employment relationship with the district, such employees may represent themselves or be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. An employee organization representing management or confidential employees shall not be permitted to meet and negotiate with the district on behalf of the employees. (Government Code 3543.4)

1. Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board. (Government Code 3540.1)
2. Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. (Government Code 3540.1)

In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550, 3551.5)

### **Access to Employee Contact Information**

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire, unless the exclusive representative has agreed to a different interval for the provision of the information. In addition, the Superintendent or designee shall provide the exclusive representative the same information in regard to all employees in the bargaining unit at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or of any employee who provides a written request that the information not be disclosed to the exclusive representative. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6215, 6215.2, 7928.300)

Within 20 calendar days after an exclusive representative notifies the Superintendent or designee that a list of employees provided by the district is inaccurate or incomplete, the Superintendent or designee shall take steps to correct the list and provide a new list of employees to the exclusive representative. (Government Code 3558)

At least, at the beginning of each school year, the Superintendent or designee shall review the list of district employees to ensure that the list is complete and contains accurate information.

### **Communications with Employees**

Employee organizations may have access at reasonable times to areas in which employees work and may use district facilities at reasonable times for the purpose of meetings. Subject to reasonable regulation, employee organizations may also use institutional bulletin boards, mail boxes, and other means of communication to communicate with employees. (Government Code 3543.1)

Access to district means of communication shall be limited in cases where such access would be disruptive to district operations.

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

(Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization.
