

## **5141.31 Immunizations**

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Governing Board shall cooperate with state and local public health agencies to encourage and facilitate immunization of all district students against preventable diseases.

Each student enrolling for the first time in a district school, preschool, child care program, enrolling in or advancing to TK/Kindergarten or grade 7 shall present an immunization record from any authorized private or public health care provider certifying that the student has received all required immunizations in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.

Each transfer student shall be requested to present immunization records upon registration at a district school.
