

## **5148 Child Care**

The Governing Board recognizes the need for quality child care, for grades TK-8 within the Etiwanda School District. To the extent possible, the district will provide child care services for students enrolled in the Etiwanda School District that will be made available during the regular school day, before and after normal school hours, during vacations and intersessions.

The Superintendent or designee shall ensure that individuals working in child care have met the necessary qualifications and all district requirements.

The Superintendent or designee shall regularly prepare an update on child care services for the Board of Trustees. The proposed program and fee changes will be approved by the Board of Trustees.
