

AR 6145.2 Athletic Competition

Nondiscrimination and Equivalent Opportunities in the Athletic Program

No student shall be excluded from participation in, be denied the benefits of, be denied equivalent opportunity in, or otherwise be discriminated against in interscholastic, intramural, or club athletics on the basis of any actual or perceived characteristic specified in law and BP 0410 - Nondiscrimination in District Programs and Activities. (Education Code 220, 221.5, 230; 5 CCR 4920; 34 CFR 106.41)

The Superintendent or designee may provide single-sex teams when selection for the teams is based on competitive skills. (5 CCR 4921; 34 CFR 106.41)

Each student shall be allowed to participate in any single-sex athletic program or activity consistent with his/her gender identity and for which he/she is otherwise eligible to participate, irrespective of the gender listed on the student's records. (Education Code 221.5)

When a school provides only one team in a particular sport for members of one sex, but provides no team in the same sport for members of the other sex, and athletic opportunities in the total program for that sex have been previously limited, members of the excluded sex shall be allowed to try out and compete with the team. The same standards for eligibility shall be applied to every student trying out for the team, regardless of sex, sexual orientation, gender, gender identity, gender expression, or other protected group status. (5 CCR 4921; 34 CFR 106.41)

Concussions and Head Injuries

The Superintendent or designee shall annually distribute to student athletes and their parents/guardians an information sheet on concussions and head injuries. The student and parent/guardian shall sign and return the information sheet before the student initiates practice or competition. (Education Code 49475)

The Superintendent or designee shall provide training to coaches and/or athletic trainers regarding concussion symptoms, prevention, and appropriate response. (Education Code 35179.1, 49032)

If a student athlete is suspected of sustaining a concussion or head injury in an athletic activity, he/she shall be immediately removed from the activity for the remainder of the day. The student shall not be permitted to return to the activity until he/she is evaluated by a licensed health care provider trained in the management of concussions and receives the health care provider's written clearance to return to the activity. If the health care provider determines that the athlete sustained a concussion or a head injury, the athlete shall also complete a graduated return-to-play protocol of no less than seven days in duration under the supervision of a licensed health care provider. (Education Code 49475)

An intermediate school football team shall be non-contact football.

Heat Illness

The Superintendent or designee shall provide training to coaches and/or athletic trainers regarding the signs and symptoms of, and the appropriate response to, heat illness, including heat cramps, heat syncope, heat exhaustion, and exertional heat stroke. (Education Code 35179.1, 49032)

Sudden Cardiac Arrest

The Superintendent or designee shall distribute the California Interscholastic Federation (CIF) information sheet on sudden cardiac arrest to all student athletes who will be participating in a CIF-governed athletic activity and to their parents/guardians. The student and parent/guardian shall sign and return the information

AR 6145.2 Athletic Competition (continued)

sheet prior to the student's participation in the athletic activity. If an athletic activity is not covered by CIF, the student and his/her parent/guardian shall, prior to the student's participation in the athletic activity, sign and return an acknowledgement that they have received and reviewed the sudden cardiac arrest information posted on the California Department of Education's web site. (Education Code 33479.2, 33479.3)

The Superintendent or designee shall provide training to coaches and/or athletic trainers regarding the nature and warning signs of sudden cardiac arrest. (Education Code 33479.6, 33479.7, 35179.1, 49032)

If a student athlete passes out or faints, or is known to have passed out or fainted, while participating in or immediately following his/her participation in an athletic activity, the student shall be removed from participation at that time. If a student exhibits any other symptoms of sudden cardiac arrest, including seizures during exercise, unexplained shortness of breath, chest pains, dizziness, racing heart rate, or extreme fatigue, he/she may be removed from participation by a coach or other employee who observes these symptoms. If any such symptoms are observed, notification shall be given to the student's parent/guardian so that the parent/guardian can determine the treatment, if any, the student should seek. A student who has been removed from participation shall not be permitted to return until he/she is evaluated and given written clearance to return to participation by a health care provider. (Education Code 33479.2, 33479.5)
