

## **6142.7 Physical Education and Activity**

### **Instruction**

The Governing Board recognizes the positive benefits of physical activity on student health and academic achievement. The district shall provide all students the opportunity to be physically active on a regular basis through high-quality physical education instruction and may provide additional opportunities for physical activity throughout the school day. The district's physical education and activity programs shall support the district's coordinated student wellness program and encourage students' lifelong fitness.

Physical education classes shall be conducted in the coeducational, inclusive manner prescribed by law. The district shall provide instruction in physical education that provides equal access and equal opportunities for participation for all students in grades 1-12 regardless of gender, gender expression, sexual orientation, and mental or physical disability. (Education Code 220, 221.5, 33352; 5 CCR 4900, 4930, 4931, 4940, 4960; 34 CFR 106.33, 106.34, 300.108)

The district's physical education program shall provide a developmentally appropriate sequence of instruction aligned with the state's model content standards and curriculum framework.

Students with disabilities shall be provided instruction in physical education in accordance with their individualized education program or Section 504 accommodation plan.

During air pollution episodes, extreme weather, or other inclement conditions, physical education staff shall make appropriate adjustments to the program or shall seek alternative indoor space to enable students to participate in active physical education.

### **Staffing**

Physical education instruction shall be delivered by appropriately credentialed teachers who may be assisted by instructional aides, paraprofessionals, and/or volunteers.

The district shall provide physical education teachers with continuing professional development, including classroom management and instructional strategies designed to keep students engaged and active and to enhance the quality of physical education instruction and assessment.

### **Physical Fitness Testing**

The Superintendent or designee shall annually administer the physical fitness test designated by the State Board of Education to students in grades 5 and 7. (Education Code 60800; 5 CCR 1041)

### **Temporary Exemptions**

The Superintendent or designee may grant a temporary exemption from physical education under either of the following conditions: (Education Code 51241)

1. The student is ill or injured and a modified program to meet his/her needs cannot be provided.
2. The student is enrolled for one-half time or less.

### **Permanent Exemptions**

The Superintendent or designee may grant a permanent exemption from physical education to an individual student under the following condition: (Education Code 51241)

## **6142.7 Physical Education and Activity (continued)**

1. The student is enrolled in a juvenile home, ranch, camp, or forestry camp school with scheduled recreation and exercise.

Students who have been granted a permanent exemption shall be offered a variety of elective physical education courses of not less than 400 minutes each 10 school days. (Education Code 33352)

### **Additional Opportunities for Physical Activity**

The Superintendent or designee shall develop strategies to supplement physical education instruction with additional opportunities for students to be physically active before, during and after the school day.
