

6153 School-Sponsored Trips

The Governing Board recognizes that field trips supplement and enrich the classroom learning experience, lead to increased student achievement, and foster student engagement. The Board encourages field trips to reinforce and increase learning opportunities and to enhance district programs. Field trips shall be conducted in connection with the district's course of study or school-related social, educational, cultural, athletic, school band, or other extracurricular or cocurricular activities.

Requests for school-sponsored trips involving out-of-state travel shall be submitted to the Superintendent or designee. The Superintendent or designee shall review the request and make a recommendation to the Board as to whether the request should be approved by the Board.

Requests for in-state trips involving overnight travel shall be submitted to the Superintendent or designee. The Superintendent or designee shall review and approve the request. All other school-sponsored trips shall be approved in advance by the principal.

The principal shall establish a process for approving a staff member's request to conduct a school-sponsored trip. When planning trips, staff shall consider student safety, objectives of instruction, the most effective use of instructional time, the distance from school, district and student expense, and transportation and supervision requirements. Principals may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk.

No field trip shall be authorized if any student would be excluded from participation because of a lack of sufficient funds. The Superintendent or designee shall coordinate with community groups to supply funds for students in need. (Education Code 35330)

The Board may approve the use of district funds for student expenses for in-state, or out-of-state field trips or excursions when permitted by law. In addition, expenses of instructors, chaperones, and other personnel participating in such trips, as well as incidental expenses for the use of district equipment during the trip, may be paid from district funds. (Education Code 35330)
