

## **6170.1 Transitional Kindergarten**

The Governing Board desires to offer a high-quality Transitional Kindergarten (TK) program for eligible children who do not yet meet the minimum age criterion for kindergarten. The TK program shall assist students in developing the academic, social and emotional skills needed to succeed in kindergarten and beyond.

The district's transitional kindergarten program shall be the first year of a two-year kindergarten program. (Education Code 48000)

The Board encourages ongoing collaboration among district preschool staff, other preschool providers, elementary teachers, administrators, and parents/guardians in program development, implementation, and evaluation.

### **Eligibility**

The district's TK program shall admit children as follows: (Education Code 48000):

1. For the 2023-24 school year, children whose fifth birthday is between September 2 and April 2.
2. For the 2024-25 school year, children whose fifth birthday is between September 2 and June 2.
3. For the 2025-26 school year, and in each school year thereafter, children who turn four by September 1.

A child's eligibility for TK enrollment shall not impact family eligibility for dual enrollment in a preschool or childcare program, including, but not limited to, a Head Start program, a childcare center serving children through an alternative payment program, a general childcare and development program, a California State Preschool Program (CSPP), a migrant childcare and development program, childcare and development services for children with special needs, or a program serving children through a CalWORKs Stage 1, Stage 2, or Stage 3 program. (Education Code 48000)

Parents/guardians of eligible children shall be notified of the availability of the TK program and the age, residency, immunization, and any other enrollment requirements. Enrollment in the TK program shall be voluntary.

On a case-by-case basis, a child whose fifth birthday is on or before September 1 may be admitted into the district's TK program upon request of a child's parents/guardians, if the Superintendent or designee determines that it is in the child's best interest.

### **Curriculum and Instruction**

The district's TK program shall be based on a modified kindergarten curriculum that is age and developmentally appropriate. (Education Code 48000)

The program shall be aligned with the preschool learning foundations and preschool curriculum frameworks developed by the California Department of Education (CDE). It shall be designed to facilitate students' development in essential skills related to language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

## **6170.1 Transitional Kindergarten (continued)**

The Board shall establish the length of the school day in the district's TK program, which shall be at least three hours but no more than four hours long, including recess but excluding noon intermission, except for TK students enrolled in expanded learning opportunity programs provided by the district pursuant to Education Code 46120. If the district has adopted an extended-day kindergarten, the length of the school day for the TK program may be different than the length of the school day for the kindergarten program either at the same or different school sites. The Superintendent or designee shall annually report to CDE as to whether the district's TK programs are offered full day, part day, or both. (Education Code 8973, 37202, 46111, 46115, 46117, 48003)

The Superintendent or designee shall collaborate with parents/guardians and relevant community groups, in accordance with the plan developed for how all children in the attendance area of the district will have access to full-day learning programs the year before kindergarten that meet the needs of parents/guardians, including through partnerships with the district's expanded learning offerings, the After School Education and Safety Program, CSPP, Head Start programs, and other community-based early learning and care programs.

TK students may be placed in the same classrooms as kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

The district shall maintain an average TK class enrollment of not more than 24 students for each school site, not including students who are continuously enrolled in and meet the minimum day requirement for independent study for more than 14 school days in a school year. (Education Code 48000)

### **Staffing**

The Superintendent or designee shall ensure that teachers assigned to teach in TK classes possess a teaching credential or permit from the Commission on Teacher Credentialing (CTC) that authorizes such instruction.

A credentialed teacher who is first assigned to a TK class after July 1, 2015, shall, by August 1, 2025, have at least 24 units in early childhood education and/or child development, comparable professional experience in a preschool setting, and/or a child development teacher permit or an early childhood specialist credential issued by CTC. (Education Code 48000)

The Superintendent or designee may provide professional development as needed to ensure that TK teachers are knowledgeable about the standards and effective instructional methods for teaching young children, including, but not limited to, developing competencies in serving inclusive classrooms and dual language learners.

The district shall maintain an average of at least one adult for every 12 students for TK classrooms and, contingent upon an appropriation of funding, maintain an average of at least one adult for every 10 students commencing with the 2025-26 school year. (Education Code 48000)

### **Continuation to Kindergarten**

Students who complete the TK program shall be eligible to continue in kindergarten the following school year. Parents/guardians of such students shall not be required to submit a signed Kindergarten Continuance Form for kindergarten attendance.

## **6170.1 Transitional Kindergarten (continued)**

However, whenever children who would otherwise be age-eligible for kindergarten are enrolled in TK, the Superintendent or designee shall obtain a Kindergarten Continuance Form signed by the parent/guardian near the end of the TK year consenting to the child's enrollment in kindergarten the following year.

A student shall not attend more than two years in a combination of TK and kindergarten.  
(Education Code 46300)

### **Assessment**

The Superintendent or designee may develop or identify appropriate formal and/or informal assessments of TK students' development and progress.
