

6172 Gifted and Talented Students

The Governing Board believes that all students deserve an education that challenges them to reach their full potential. The district shall provide gifted and talented students with opportunities for learning commensurate with their particular abilities and talents.

The Superintendent or designee shall provide all eligible students, including economically disadvantaged students, English learners, and students of varying cultural backgrounds, with full opportunities to be identified as GATE.

Educational opportunities for GATE students may include supplemental educational activities which augment students' regular educational programs in their regular classrooms and may include the use of advanced materials and/or provide special opportunities from persons other than the regular classroom teacher.
